## **ATTENTION!**

**To all Zimmerman Auto Body Supplies and CARS paint refinishing customers:**

As part of the Federal Government's efforts to reduce VOC emissions and reduce Ozone, effective immediately, all refinish shops are to register their shop with the United States Environmental Protection Agency no later than January 11, 2010. You will then have 1 calendar year to complete the painter training requirements that have been outlined for the refinish industry.

Our goal in providing this communication is to help guide the refinish industry through the Federal requirements pertaining to the new regulations which take effect January 11, 2010.

### **What do you need to do?**

- Print out the form from the [web link](#).
- Fill out the form completely.
- Send to EPA District III Regional Office at the address below **post marked BEFORE January 11, 2010.**

**EPA Region III Director  
Air Protection Division  
1650 Arch Street  
Philadelphia, PA 19103**

We will be sponsoring painter training sessions throughout 2010. These sessions will be 4 hours in length and require hands on testing. Stay tuned for those dates and locations.

Sincerely,

David L. Matthews  
Sales Manager
