or call 223-279-8500 to reserve your spot.
Hurry, space is limited!

ATTENDANCE COST
PER PERSON:

1 DAY- \$250

2 DAYS - \$350

3 DAYS - \$400

Join us for a 3-day tour across Pennsylvania with our friends from Collision Hub for LIVE estimating training!

You will have the option to pick from one, two or a three day class to learn estimating from the best in the industry.

This class is invaluable for DRP as well as Non-DRP shops as you learn to write highly detailed and effective estimates, and how to "sell what you write". We will cover OEM procedure research, pre-measuring, analyzing damage, determining paint and material billables, writing a thorough estimate, negotiation techniques, and much more.

Do not miss this incredibly unique opportunity!

Lunch will be provided at all 3 locations
